THE WORK OF LEADERS MADE SIMPLE: VISION, ALIGNMENT, AND EXECUTION

Everything DiSC Work of Leaders approaches leadership as a one-to-many relationship, as opposed to the one-to-one relationship. It focuses on tangible steps directed at leading a group or organization toward desired outcomes. Using the framework of Vision, Alignment, and Execution, *Work of Leaders* encourages leaders to understand their own leadership styles and how they impact their effectiveness.

Presenter: Deborah E. Jones (DJ)

Deborah Jones conducts workshops, provides consulting and coaching services to principals and teachers, and speaks to student and parent groups. DJ demonstrates a strong passion and commitment to school improvement, educating minority children and children of poverty.

Monday, June 20 8:30-11:00 a.m.

STRATEGIES FOR SUCCESS

This session purposefully seeks to enhance leadership potential and equip new school administrators. Intended for leaders who are beginning a career in school administration, the session targets the skills and practices essential for success as a principal or assistant principal. In a collaborative environment you will delve into the complexities of school leadership. Topics and strategies will emphasize the importance of communication, visibility, judgment, setting priorities, decision-making, culture and ethics. The importance of being an instructional leader while still managing an effective campus will be a theme throughout the session.

Presenters: John Bryant, Senior Director for Human Resources, Henderson County Public Schools

Jan King, Director of School Learning and Leadership Development, Henderson County Public Schools

Brett Wilson, Principal, Burke County Public Schools
